One of the first judges elected to the Milford Township Board. He was called Captain now it may have been a ship. Because it was written that a Judge, and two Captains one of a ship, Lived with in a mile of Mud Corners or Mt. Pisgah. Stiles one the first judges of the board The other being Capt. Silvanus Hatch. Not knowing which is which. Neither is recognized as Veterans. He was born in New Milford, Ct. Maybe that's where Milford Twp. came from but there is other stories.
